OUR DREAMS
“The fear of the Lord is the beginning of wisdom” (Bible)
Greetings in the name of my Lord and Saviour Jesus Christ.

I feel honored as you would choose Ebenezer International Residential School to assist you in the formal education of your child. We strive to provide a rigorous academic environment in a positive setting where each student can discover their own unique gifts and develop them to their potential.

My life began in a Penticostal family in Central Kerala. From my childhood the concept of developing the whole person in mind, body and spirit was evidenced in my own life. By the grace of God, He has enabled me to be a very successful business man in the Middle East. STARTING a school was the last thing I wanted to add into my life. But when my children completed their education in the most prestigious school and university of the world, the thought came to me that many parents may not be willing to send their children far away for world class education. So I decided to start a world class school with the best facility for overall development of a child’s personality. With this in mind I started the first school - The New Indian School at Bahrain in 1990 under the CBSE curriculum. Today by the grace of God, it is running very successfully.

I desire that each child will leave Ebenezer International Residential School not just as a passionate thinker, but a thinker with passion.
I welcome you to EIRS and at the same time thank you for entrusting your child with us. My door is open to you always as we join hands in pursuing excellence in education

IN EBENEZER’s Name

Dr. T.T. Thomas
Founder, Chairman
ABOUT THE SCHOOL

We are pleased to introduce Ebenezer International Residential School & Junior College (EIRS), the best boarding school, in Kerala education. EIRS is the realization of a long nurtured dream of Keralites in quality education.

EIRS was inaugurated by Mr. Stephen George (MLA) on June 10, 2002. The first classes commenced on June 12, 2002 with an enrolment of 200 students for the academic year 2002 - 2003.

The school follows a curriculum, which is in accordance with the specifications of the Central Board of Secondary Education (CBSE). It aims at the attainment of the highest order of academic excellence. Non-academic subjects including music, dance and creative projects are given equal importance while planning the curriculum.

The faculty at EIRS is highly trained, experienced and efficient and are chosen from the top educational institutions in the country. A majority of the faculty resides on campus, which enables the students to seek them for consultation even after class hours.

The total strength of each class does not exceed 30 to ensure that quality education is imparted to each student. A notable feature at EIRS is the teacher- student ratio, which is 1: 10. The regular classes begin at 9.00 am and end at 3.15 pm.

At EIRS, utmost care and guidance is given to academically weak students by arranging subject-wise remedial classes. EIRS is an internationally competent, professionally sound, and quality oriented abode of education. EIRS gives full thrust in training its students in the upcoming career opportunities.

Mrs. Sonia Elizabeth Jimmy has a dynamic educational career with best professional studies in Master of Business Administration with specialization in Human Resource Development & Marketing and Master of Education. She has been associated with Ebenezer International Residential School & Junior College right from its inception and has successfully completed 16 years of milestone with Ebenezer.

A strong dynamic leader, a skilled organizer, detailed analyser, caring and hardworking with the ability to consider all options before making a decision.
LOCATION

EIRS is located on a hilltop in Pattithanam, a calm suburb of Ettumanoor. The pristine spot where EIRS stands is a pollution free area away from the dust and din of the city. All amenities, which are usually found in an urban area, are available in a beautiful countryside setting abundant with eyes soothing greenery and fresh air. The picturesque view of Wagamon hills can be seen from the school premises. The M.C. Road (State Highway 1) leads to the school premises. EIRS is just 15 kms from Kottayam. The Nedumbaserry International Airport is 75 kms from Ettumanoor. Trivandrum International Airport is 175 kms from Ettumanoor. The world-renowned backwaters of Kumarakom is an hour's drive from Ettumanoor.
Pre Primary

This section consists of LKG and UKG. The teaching adopted here is a play-way method so as not to burden young children with books and home works. Children learn through fun and games. There are group activities in art, music, language, science and physical education. The Montessori method aims to develop a kid’s intelligence through activities that involve exploration, manipulation, order, repetition, abstraction and communication.
Primary & Middle Section

Classes from I to VII constitute the primary section. Following are the subjects taught at primary level:

- English
- Malayalam
- Hindi
- French
- German
- Computer (NIIT)
- Mathematics
- Social Science
- Science / EVS
- Work Experience
- Art Education
- Physical Education

Secondary Section

- English
- Malayalam
- Hindi
- French
- German
- Mathematics
- Science
- Social Science
- Computer (NIIT)
- Work Experience
- Art Education
- Physical Education
The Senior Secondary Section XI & XII

The Senior Secondary Section consists of Science & Commerce Stream. This course leads to the All India Senior School Certificate Examination (AISSCE). Students in the Senior Secondary become more specialized in their studies with focus on eventual career choices. Specialist teaching therefore increases to equip students for higher education and the professional world. Apart from the prescribed CBSE syllabus, the school strives to enhance the knowledge base of the students by developing their analytical power and ability in order to succeed in competitive examinations.
ACADEMIC FEATURES

SMART CLASSROOMS

EIRS classrooms are equipped with new age digital education solutions by "EXTRAMARKS" empowering students to step in with the latest technology and have anytime, anywhere access to quality study support. It aims to bring the best of global technology to provide an engaging, child-centric teaching-learning environment in the classroom.

MATHEMATICS AND SCIENCE LABORATORIES

The School has distinct and separate laboratories for practical sessions in Mathematics, Physics, Chemistry and Biology in accordance with CBSE curriculum. The laboratories are spacious and offer modern and excellent equipment and our students are encouraged to use their analytical skills and creative skills through research to experimentation.
LIBRARY

To encourage reading habits and to widen the knowledge of students, EIRS has 2 libraries, one for Senior section and the other for Junior section. Both the libraries are equipped with books, journals and magazines from all over the world which cover a wide spectrum of topics ranging from arts, humanities, science and technology. To fully automate the library the latest technology is utilized. For the overall development of students, an entire section is devoted to multimedia rich educational and inspirational materials on CD-ROMs and videos.

COMPUTER EDUCATION - NIIT

EIRS pays special attention to computer training and all the students from Class I onwards are taught computer skills in a practical and appealing way. Internet training forms a core component of learning IT skills. Additionally, the students are given the opportunity to master a variety of operating systems and application software which are widely used in the IT world today. A dedicated computer lab is available to all students.

INTERNET CAFE

A internet cafe is on campus for students to access the internet. It will also provide the students with copying and printing.
EXTRA CURRICULAR ACTIVITIES

SPORTS
- BASKETBALL
- BADMINTON
- CRICKET (KCA)
- ROLLER SKATING

ARTS
- CHESS
- KARATE
- SOCCER
- SWIMMING
- COOKING
- MUSIC
- KEY BOARD
- VIOLIN
- GUITAR
- BAND
- ABACUS
HOSTEL

EIRS has separate hostel facilities for boys and girls on campus. The hostels are provided with all modern amenities including air conditioning. The dorm rooms are furnished with separate bed and wardrobe for each student. A separate study hall is also arranged for their self study and preparation. Qualified nurses assisted by well-trained nannies are available for medical assistance 24 hours a day. There is a dedicated house-keeping department, which ensures the cleanliness of the school and hostel buildings. Laundry service is also available to the students.

CATERING

EIRS is catered by the Ebenezer Institutional Catering Services which is not only a professional catering service but has also made its presence felt in house and laundry service. The quality of the food served in the spacious cafeteria meets international standards and is prepared with the assistance of a qualified, experienced and registered dietician. The menu comprises of scrumptious and nutrient rich delicacies from around the world. Students daily receive three balanced meals, two nutrient rich snacks and afternoon tea.
Types of Admission

EIRS offers three types of admission options:

1. **Day Scholars**
   These students will bring lunch from home and separate mess hall is provided for them.

2. **Day Boarders**
   This group will be provided with breakfast and lunch every day. The food served is of international standards and is prepared and supervised by EIRS's own catering department.

3. **Regular Boarders**
   This group is allowed to leave the hostel only during vacation or on 2nd Friday of each month. Currently, this group includes students from the USA, Europe and Middle East.

**Requirements**

Admission is open to all irrespective of caste and creed. A copy of Birth Certificate from the Registrar to be produced at the time of admission for LKG/UKG and class I. Pupils coming from the other schools will have to produce a Transfer Certificate issued by the school last attended. Admission will be confirmed after an entrance test (not required for LKG/UKG & grade I).

**Medical And Engineering Coaching**

We do have a tie-up with Brilliant, Pala for medical and engineering entrance for +1 and +2 students. Classes will be held at Brilliant, Mutholy campus on all Saturdays from 9:00 am to 3:00 p.m. Transportation will be provided from the school.
